Great Trethew Vintage Rally

24th, 25th & 26th August 2024

Plans are well underway for the 2024 Great Trethew Vintage Rally, which takes place over the August bank holiday weekend attracting approx 5000 people over the three days of the rally. As is increasingly the case the costs of putting on this years rally have escalated and your contribution as a local business owner is needed now more than ever to support this not for profit event.

Last year with your help we were able to donate over £4000 to local causes.

We are pleased to announce that we once again are publishing our own Rally programme. This will be available electronically and printed, which provides a fantastic opportunity for businesses to support and advertise with us in a different ways. Our suggested sponsorship and advertising levels are below.
